High School Summer School Program Attendance Policy:

As per New York State, the attendance policy for the High School Summer Credit Recovery Program mirrors the District attendance policy. However, due to the condensed nature of the summer program, students must attend all of their classes unless they have an excused absence and make up the course work assigned. Students that accrue more than three (3) absences of any kind, in any class during summer school will be removed from that class and will not be given course credit. Parents should email the summer instructor(s) directly if their child is absent to ensure their child's absence is marked appropriately.

High School Code of Conduct:

The Code of Conduct for [Hamburg High School](#) and [Hamburg Central Schools](#) is still applicable and students are expected to follow this code of conduct.

Instructors:

ELA: Mrs. Losi (alosi@hcsdk12.org)

Soc St: Mr. Massey (dmassey@hcsdk12.org)

LMC: Mrs. Kurznel (akurznel@hcsdk12.org)
