

EARLY RELEASE and LATE ARRIVAL

Application

Early Release and Late Arrival are privileges granted to seniors in good academic and disciplinary standing. Graduation from high school is dependent upon the successful completion of all required schoolwork; therefore, all academic commitments must come first. Students utilizing either of these options must accept the responsibility of meeting all of his/her school requirements. Since this is a cooperative effort between the student, parent/guardian, and school, it is necessary that all parties be aware of and agree to all of the conditions of eligibility.

A student who is unable to maintain good standing in each of their academic classes may have early release/late arrival revoked. Any school disciplinary obligations (Detention, Homework Detention, ISS) take priority over early release. Failure to meet these obligations may result in the loss of the early release/late arrival privilege. Students' schedules will not be changed to accommodate these privileges.

The school reserves the right to revoke these privileges at any time.
